

## BRETHREN EVANGELIST

### FREE TO Kidney Sufferers.

Dr. Worst will mail his new Vegetable Discovery for Kidney, Liver, Stomach Trouble, Sick Headache and Rheumatism FREE to all readers naming the Brethren Evangelist.

I believe I am the only person that sends medicines to all countries of the world exclusively on its merits, and depend upon the honesty of the people for support.

The following letters from the people speak for themselves. They are letters from the people with remittance, after receiving and trying the medicine:

Dr. E. J. Worst, Ashland, Ohio:

I have been complaining with pains in my stomach and back for the last twenty-four years, have spent between \$3,000 and \$4,000, but received no benefit. I have been to Saratoga, Hot Springs, French Lick Springs, Infirmaries, and all did me no good. Was to New York City and consulted the best physicians, but did not find out my trouble. I noticed an advertisement in a paper of your mail order treatment and wrote for it. Have taken it and have no pains since and would recommend same to all who suffer with Stomach and Kidney trouble. I will always have the treatment in my home.

Yours Respectfully,

ZEKE SOLOMON,

No. 116 N. Nineteenth St., Birmingham, Ala.

Dr. E. J. Worst, Ashland, Ohio:

### THE LIVING VOICE

A 40-page booklet, teaching social purity, and a *supreme love* as the true basis for marriage, from a gospel standpoint. It is a *sin* to disregard the moral and spiritual value of these sacred truths.

Send 10 cents in stamp to L. Mary Dietz, Hudson, Iowa, and receive copy postpaid. It is valuable.

### OLD MEN AND WOMEN AGENTS WANTED.

Any intelligent elderly person can make money doing good with the "best thing in, on or out of the earth." He must be worthy of my clothing with goods on sale. I am no humbug trader or quack doctor, and will have no dealings with anyone I cannot credit. My agency pays better than any book-gate-churn-lighting-red-ink-insurance and pay over and over just as the agent is honest. Write a postal for particulars, state age and give five names as references. No long letters will be noticed. No stamps or money required. These Notes, 335-355 West Park St., Chicago, Ill.

### The Christian Co-Operative Colony, Located at Sunnyside, Yakima Co., Washington

Its promoters have investigated a number of other states, including Tennessee, Louisiana, Texas, Colorado, Arizona, California and Utah. They feel assured that in their selection of Sunnyside, Washington, that they have made a wise choice where

1. The climate is healthful and pleasant. No cyclones, no thunderstorms and no sunstrokes.
2. There is the greatest variety of fruit, vegetables and general farm products reaching perfection.
3. The conditions for raising all kinds of stock, and for dairying are the most favorable.
4. There are fewer flies and mosquitoes than are found in the average locality in the Mississippi valley.
5. The soil is of unexcelled fertility, and is six to forty feet deep.
6. Lands can be had from first hands.
7. All is under one of the most reliable and perfect systems of irrigation in the United States. The supply of water is greater than the demands of the country can ever require.

Up to date the following persons have investigated and purchased lands:

C. Rowland, Lanark, Ill.  
H. M. Lichty, Carleton, Neb.  
Eld. Joseph Stitzel, Lanark, Ill.  
Eld. D. M. Fike, Carleton, Neb.  
Eld. S. J. Harrison, Falls City, Neb.  
Jacob W. Miller, Waterloo, Ia.  
W. T. Shoemaker, Sunnyside, Wash.

These parties have already begun the improvement of their lands and do not expect to stop until every foot of their purchase is in cultivation. Any person interested can correspond with any of the above, enclosing stamp for reply.

Each land holder operates his own tract. The "Co-operation" consists in advertising and developing the country materially, socially, intellectually and religiously.

The promoters are Dunkards in religious faith, and care will be exercised to preserve the identity of both conservative and progressive branches of the church. We hope to establish a great stronghold of Christianity in the Yakima valley upon the favorable conditions existing. For descriptive pamphlet, address
